Dear Jeralynn,

Thank you for your contact with my office regarding the Washington County OPP/Head Start program. I appreciate your interest in having me visit one of your centers.

Although I may not be available during the session, I welcome the opportunity and look forward to meeting with you in your visits to the Capitol this session.

Thanks again for your encouragement and support. Best wishes in all your organization's endeavors.

Sincerely,

*Ken*

*P.S. Thanks again for your help*
