TRIP CONTINUES

Channel 2 KATU-TV

4/3/84

11:08

Governor Vic Atiyeh continued his Mideast trip today meeting with Israeli officials and talking over mutual problems between the U.S. and Israel. He will meet with Prime Minister Itzok Shamir on Thursday.

He plans to tell him the same thing he has told the leaders of the other Mideast countries he has visited. That basically is the killing there must stop.
