Dear Sheela:

I received the copies of letters you sent which are intended to counterbalance those speaking of Rajneeshpuram and its residents in a negative manner. I will bring these to the Governor's attention.

Sincerely,

Beloved Bob,

Love.

I understand from various government agencies that they have only heard about us from negative and biased sources.

In order to redress the balance, I am enclosing some letters that we have received which will give you some idea of the other side.

Best wishes.

His blessings,

Ma Anand Sheela
