Dear Governor:

If your opponent should be Don Clark or Kelongoshie, I'll be glad to help in any way I can in the re-election effort.

During the Primary and/or General, would you be interested in a "stand-up breakfast" - a coffee - or an informal "rap session" at Chashouneau?

Hope this special session produces something besides campaign rhetoric.

Best wishes - Edith

What's Vic Atiyeh saying to Bill Lowrie about Edith Green?

That's a good question!! What
in hell were you saying???

Happy New Year and Best Wishes.
