Dear Mr. Atiyeh:

This is to thank you most sincerely for the wonderful book you have sent to us, Oregon II, which were delivered to us in four copies by Mr. David Lutjen. The books are so beautiful and magnificent, we took the liberty of placing one copy each in the room of Mr. M. Kanao, Chairman, and Mr. Y. Yamashiro, President as well as in my room. We will all enjoy taking a look into beautiful Oregon sceneries at our will.

We are working very hard putting all aspects and elements of the PCS Project together so that it can be presented to our Board for an approval rather shortly.

We hope you are enjoying a more relaxed and leisurely life now after such a long and busy public life as Governor. We thank you very much for all the friendly and positive support you have given to us and to our Project during last year. And we are sure that you will continue with the same warm attitude in the future also.

With our best wishes for your good health and prosperity for your new life,

Yours sincerely
