Rep. Les AuCoin
2159 Rayburn House Office Building
Washington, DC 20515

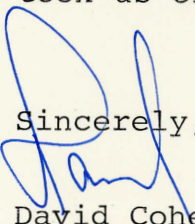

Dear Les,

Congratulations! The victory on the MX by the pro-arms control forces gives us all a lift.

Your work--the mastery of the subject and the ability to get through the toughest legislative mazes--makes the difference. It's the combination of energy and listening to colleagues that makes you persuasive when it counts.

You did the necessary invisible work that counts and deserves our thanks. You took us closer to sanity. Thanks.

Sincerely,

David Cohen
President
