Dear Victor:

Congratulations on your choice of Willamette for your school of higher learning. I am certain that you will spend many happy college days here.

To help you to get better acquainted and adjusted Freshman Week, September 23-27, with the town of Salem, with us, and with the University itself, Alpha Psi Delta Fraternity invites you to become a House guest with room, board, and entertainment at no expense or obligation in any way to you.

You will receive further information regarding fraternity life and opportunities from our annual house book which will be forwarded to you later in the summer.

If you will write or otherwise notify us of the day, hour, and depot (whether train or bus) that you will arrive in Salem, we shall be glad to have an automobile to pick up you and your baggage, taking care of you until you are settled. And if there is any further way which we can be of service to you, we shall be glad to aid.

I am looking forward to the opportunity of making your acquaintance.

Sincerely,

*John Hathaway*
