Vic:

You dirty old man -

One more year has been added
to your already overburdened back.

Trouble is - you still look
about 6 months younger than I.

Happy Birthday!!

Tommy

P.S. I want to be Supreme Ct justice.
Where is Cook? I'll sock him in the nose.

SENATE RESOLUTION 0

INTRODUCED BY: Everyone but Yturri
(Including but not limited to Susann Echanis.)

Whereas the great and sovereign State of Oregon has at various times and in diverse ways adopted official symbols to represent facets of its heritage; and

Whereas the industrious settlers of this pioneer state were hardy, heroic, vital and vigorous people from all parts of the world; and

Whereas it is fitting and proper to extend recognition to that spirit of independence that brought people across unchartered distances under great hardship in the early days of our history and to those who have demonstrated that same spirit in these latter days; and

Whereas those Basque peoples, who left their mysterious and far-off homeland to settle in the untamed eastern part of this state, nobly represent that love of life and liberty that brought about the settlement of this great State; and

Whereas State Senator Anthony Yturri, a descendent of the Basque settlers, personifies that spirit of independence and rugged fortitude so amply displayed by all the Basque people; now, therefore,

Be It Resolved by the Legislative Assembly of the State of Oregon:

That the Fifty-fifth Legislative Assembly officially bestow upon Senator Anthony Yturri the honorary title of "Oregon State Basque" in recognition of his ideal representation of the spirit of the Basques that led this noble people across the seas to settle in our great State of Oregon.
