My dear Uncle,

Your letter is just rec^d
and I will reply to the busi-
ness part first

My funds have been all
invested in ways that I can
not now recall any of them
very well - Some is in Gov. bonds
but the bonds are in such a
shape it is not easy to sell
a small amount - Therefore I
would rather not withdraw
them - I am now intending
to break up here and move
east somewhere in the spring
and should at that time
require for my own use about
all that will be in a shape
to use -

I am very glad to hear you
have married Coy Margaret -
It is many years since I have
seen her - but know of her and
know you have a treasure indeed
I shall not soon forget her
tender note of sympathy
& one last summer when
stricken by a Pluv. so sudden
so terrible as to crush me
utterly - Her words even to me
like words spoken by my
Savior - and I believe she was
prompted by His Spirit to send
them - If I am here at
the time you go west - I
should be very happy to see
you - and Margaret at my
home - I may go east myself
in March but have not
my plans definitely laid

At all events if you will
drop me a line about the
time you are ready to come
this way should I be here
would be very happy to see
you -

Very truly - Yours niece
Lacey A. Geer -
