Sat morning 20 Aug.

Dear Mary.

I will add a few items  
Am feeling quite well. I fixed the  
sink when I was putting in new  
glass where panes were broken. Day  
before yesterday I took off the top of the box.  
Steve & Dave & I fixed the cased place.  
I will make the closet as soon as I can  
get lumber.

Do you intend to have a carpet wave,  
to bring up? or had we better get a carpet.  
We ought to have one on the floor the  
room is 18 x 18. There will be plenty of  
wood from 6 to 8 beams are coming in  
every day. Mr L has authority to buy  
300 cords for this place and Linerucks.  
How did you like Green mountain boys.  
Sent over to Wapinitia for 2 Linen Halls  
and they had none, so unless you can get  
me some I'll get along until I go to Portland  
They have none at Lester & Thompsons.

Irene & Mary Hobart were riding all  
around yesterday horseback. They had a little  
party for young folks only, evening before  
last at Mr. Luccas's.

I wish I was going out in place of this  
letter. Dr. S. is getting ready I presume  
to leave. He wrote to Dr. Littlefield of La Fayette  
to see if he could get him a place on the  
rail road. Carrie Welford is getting better.  
Well I must close. I hope to get a letter  
Monday. I just get all expected mail days  
They laugh at me for watching so closely  
for the stage.

Love to all and lots of kisses, for  
Mamma & Clifford.

Lovingly your husband  
S. W. W.

There's another Ghost story in Leslie I  
did not recollect.
