Dear Friend:

I have been notified to be present at the session of our Presbytery, which will commence in one week from tomorrow.

I do not know what action will be taken in regard to me, whether I shall go to school now or wait till my eyes get better or not go to school all together.

My eyesight ~~is~~ ^{is} dim and hurt ~~the~~ ^{the} ~~eye~~ ^{eyes} much whenever I get through reading. They ^{have} been this way since August last. The Doctor advised me not to use them much.

I shall be very sorry, if I could not get to go to school, for I feel that I must get more education while I ^{am} get young, and have a chance to.

If I go there to school, I shall leave here right after Presbytery adjourns.

Yours Very Truly
P. B. Stanup.
