INTEROFFICE MEMO

TO: Governor

DATE: April 1, 1982

FROM: Gerry Thompson *Gerry*APR 02 1982
Governor Atty Gen

SUBJECT: Call from Dean Pape

For your information only -- Dean Pape called this morning. He had received a letter from Taylor Ramsey asking Dean to write a letter to you on behalf of the Rajneesh. Dean is offended by this request, but is passing the information on to us, since it is apparent that some of the businessmen who have a financial interest in Rajneesh are mounting a campaign on behalf of the Rajneesh. Dean wanted you to know he will have no part of it, has called Taylor Ramsey and told him he thought it was inappropriate and thought we ought to know because it would explain some of the letters we have been getting.
