

INDIAN SCHOOL

Mr. and Mrs. L. C. Walker returned last Saturday from a trip to visit the Indian training school at Chemawa. They report having a very pleasant visit with old friends and pupils at the school notwithstanding the school had the measles, the physician reported 99 cases the morning they left. Of the nine who graduated, six had been for some years pupils of Mr. and Mrs. Walker. Mr. Walker is much pleased with the present management of the school and predicts for Supt. T. W.
