Westco Emergency Fund

Mission Statement: The goal of the Westco Emergency Fund is to help individuals and families in crisis with immediate needs while promoting long-term self sufficiency.

Westco serves families and individuals in Forest Grove, Cornelius, Gaston, Banks and neighboring west Washington County communities.

Who?

Westco funds are available to residents in the service area who are facing an emergency need which threatens their housing, health or financial stability.

How?

Grants of up to \$350 are used for such needs as rent, utility assistance, medicine or transportation. Westco funds are used as a last resort and often combined with other community resources to provide greater assistance.

You Can Be A Partner with Westco

In 2008, Westco helped
72 families
representing 222 people
with \$23,293.00 in
donated funds.

Those who came in need also received information about other resources in Washington County which might help them avoid a crisis situation in the future.

Donations are needed to continue providing this help to our neighbors in need. Won't you join with us today?

All donations go directly to those being served and are fully tax deductible.
