

DEMOCRATIC
CONGRESSIONAL
CAMPAIGN COMMITTEE

Tony Coelho, CA
Chairman

The Honorable Les AuCoin
U.S. House of Representatives
Washington, D.C. 20515

Dear Les:

It has come to my attention that you are one of thirty-five Democratic Congressmen targeted by Republican Party leaders for defeat in 1986. The reports I have received indicate that \$6 million has been earmarked by the Republican Congressional Campaign Committee for use against you and the other targeted Democrats.

It is important that we get together to discuss this multi-million dollar attack, and with that in mind, I have scheduled a meeting for Tuesday. Please let Andy Spahn at the Committee know if you will be able to attend.

I look forward to seeing you on Tuesday.

Sincerely,

TONY COELHO
CHAIRMAN
