Dear Sir:-

Under separate cover we mail you diploma and bronze medal awarded your exhibit at the Pan-American Exposition.

Oregon's exhibits were second to none, and received more awards than those of any other State.

The Pan-American Exposition Company, being out of funds, and this Commission believing that Oregon's prize exhibitors should receive the medals awarded them, and not having sufficient funds to purchase gold and silver medals, have secured the plated ones cast in the official Pan-American dies.

We desire to thank you for your co-operation in making Oregon's exhibit one of the finest at the Exposition.

Please acknowledge receipt, and oblige,

Yours respectfully,

OREGON COMMISSIONERS.
