Dear Victor:

You have undoubtedly been approached by other Clubs in the National Football League relative to playing football this coming season. I think it would be to your advantage to consider the Cleveland Rams, and on the recommendation we have received, I can frankly say, we would like to have you as a member of our Club.

I should like to make one request, which I believe you will agree will prove beneficial in your own case. Before signing any football contract, would you be kind enough to let me hear from you. I would like to know what salary you would expect to play with the Cleveland Rams.

An early reply to this letter would be greatly appreciated.

Very truly yours,

*Chas. F. Walsh*
