Dear Leon:

I was very pleased to hear that the HDC/CASA was awarded funds from Oregon's New Housing Trust Fund to assist in your Farmworker Homeownership Program. We are, of course, completely in support of your application to the Federal Home Loan Bank and any other funding sources you are approaching.

WCCAO has a variety of social services which may be of benefit to your project. These include information and referral, comprehensive family assessment, case management, as well as housing counseling and other specialized housing services. We look forward to meeting with HDC and CASA to discuss ways in which we can work together.

Once again, best of luck in your efforts to bring this project to fruition.

Sincerely,

Jerralynn Ness
Executive Director
