## Atiyeh calls on Mubarak

CAIRO, Egypt (UPI) — Oregon Gov. Vic Atiyeh paid a courtesy call Saturday on Egyptian President Hosni Mubarak, government officials said.

Atiyeh, who is heading a delegation of business executives, had arrived Friday from Saudi Arabia for a three-day visit.

Atiyeh said this was the first trade mission to the Middle East sponsored by the state of Oregon.

"We are looking for imports as well as exports," he said. "Our state is more than anxious to do business in the Middle East."

Oregon already conducts between \$30 million and \$40 million in trade with Egypt and Saudi Arabia annually, he said.
