Dear Punch and Blake:

Enclosed is a list of cash received from members of the Governor's Committee through September 6, 1979. The grand total through that date is \$20,975.00. It is my intention to utilize this format for reporting the contribution portion of the report to the Secretary of State. I will from time to time update this list for your information. It is my current intention to make a filing with the Secretary of State prior to October 10th when the next supplemental report is due for political funds. I will review with you that report prior to filing.

If you have any question with respect to the enclosed, please advise.

Best regards.

Sincerely,
