Dear Sirs,

I am happy to inform you that I was recently elected to President of Kyocera Corporation.

I am deeply committed to fulfilling the expectations of all who have supported Kyocera during our growth and expansion, and, as President, I assure you that I will do my very best to promote the development and growth of Kyocera even further.

I wish to thank all of our friends and customers for the support Kyocera has received from you in the past — — and most of all, I look forward to strengthening the relationship we have built with you over the years.

Yours very truly,  
Kyocera Corporation
