

Albany Ore mar 6 1904.

My dear mamma I thought I would write you a letter. Papa took me over to Roods and ~~and~~ I had a fine time. Grandma gave me a lemon and we made lemonade. Benty Morgan made some cookies. Glenn is going to bathe tonight. The teacher has the tonsilitis. Papa got Glenn Clifford some catarrh tablets and he is getting better. I hope you will get better so that you can come home. your loving daughter Vernal Walker.

Monday morning 7

All well. I am going to wash some this forenoon towels &c  
Good by Papa
