The Honorable Victor G. Atiyeh
Governor of Oregon
254 Oregon State Capitol
Salem, OR 97310

Dear Governor:

During your discussion with Mr. Creson on April 23, you asked if Crown Zellerbach had any customers in Korea whom we would like to have you contact during your upcoming trip to the Far East.

Our most important customer is:

Sammi Corporation
Samilro Building, Suite No. 29
10, Kwanchul-Dong, Chongro-ku
CO P. O. Box 1434
Seoul, Korea
Telephone: 725-6911

Sammi Corporation is the largest importer of softwood logs into Korea. They have ten sawmills in Inchon (about one-half of them presently operating). Sammi Corporation also has a stainless steel manufacturing plant in Pusan, called Sammi Specialty Steel Corporation. The president of Sammi Corporation is Mr. Sung Taek Rhim.

We appreciate your willingness to include Sammi Corporation in your itinerary.

Again, we are pleased to have mutually agreed with the Land Board to continue with discussions regarding a lease of the Tongue Point property.

Sincerely,

A handwritten signature in cursive script, appearing to read "W. R. Corbin".
