Governor Atiyeh

Dear Governor *Victor* Atiyeh:

I am absolutely delighted with the picture you sent me! It brought back more memories than you can imagine. A great many things have happened to both of us since that very eventful day in Kansas City.

I also would like to take this opportunity to extend to you my best wishes as you leave the Governor's Office this month. You can certainly look back on your long and distinguished political career with a great deal of pride and a tremendous sense of accomplishment.

Although you will be leaving office, I am confident that your life will continue to be guided by the same spirit of public concern which has won you the respect and admiration of your fellow governors and the citizens of Oregon.

It is my sincere hope that your future will be as full and rewarding as your years of service to the State of Oregon have been.

Sincerely,

Arch
