Dear Mr. Yamada,

You have presented me with a wonderful opportunity to see your innovative process and to spend an evening with WACOM. Having worked hard during my time as Governor to bring industry to our area, I am also very pleased that you have brought your U.S. headquarters to the Portland/Vancouver center.

Unfortunately, on April 16th I will be out of the city attending a board meeting. Although I will miss the event, I would sincerely look forward to a future opportunity to visit your facility.

My very best to you.

Sincerely,

Victor Atiyeh
