

GEORGE BUSH

Kennebunkport, Maine

September 15, 1993

Dear Vic,

Loved that Bumper Sticker!!

Life is treating the Bushes pretty darn well. My return to Washington for the middle East event and the NAFTA event was OK.

I had dreaded going back in a way, but it was proper for me to be there. I hope you are feeling up beat about the Mid East. That was some day. I think history will be kind to our administration on this subject.

Warm regards,
