October 30, 2003

The Honorable Victor G. Atiyeh  
Ms. Dolores H. Atiyeh  
7690 SW Fairmoor St.  
Portland, OR 97225

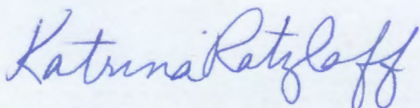

Dear Governor and Ms. Atiyeh:

On behalf of Portland State University, it's my pleasure to acknowledge your thoughtful contribution, in memory of Jay S. Lee, to the Korean Studies Program Endowment.

The Korean Studies Program is devoted to promoting understanding of South and North Korea among students, faculty, businesses and residents of the Portland metropolitan area through a variety of curricular and outreach programs. Your commitment means a great deal to those who seek a better understanding of their cultural background, or tools to enhance their professional relationships with key constituents in today's global economy.

Mr. Lee was a good friend to Portland State University for many years. Thank you very much for your thoughtful memorial gift.

Sincerely,

Katrina Ratzlaff  
Director of Donor Communications
