GOVERNOR VICTOR ATIYEH
THE GOVERNOR OF OREGON
454 STATE CAPITAL
SALEM OR 97305

Dear Governor Atiyeh:

The medallions presented to the leadership of the Confederated Tribes of Warm Springs shall be among the most treasured symbols of our people. We are moved by your generous thoughts inscribed on the plaques. The manner in which you shared these gifts was so much like the person we have come to trust and respect.

Those few moments shall remain special in our memories. The medallions shall serve as a constant and enduring reminder that people can work together to solve problems through the opportunities we allow ourselves. The opportunity to personally know you and your family has enriched our lives.

Please accept our humble thank you and an open invitation to always return to our homeland.

Sincerely,

THE CONFEDERATED TRIBES OF THE
WARM SPRINGS RESERVATION OF OREGON
