Rev. H. Lyman

Dear Sir:-

Mr. Brewster

forwarded your letter to me.

I have called on the R.R. officials,
& they state that they will sell
you & your family tickets to Amoka
at the rate of \$70. Current, for each
adult - Children under 12, for half
that sum. They will also give
you a letter to the Superintendent at
Amoka so that you can get return
tickets from there to S. F., when you
come back, at the same rates.

They, however, wish to know
about the time when you wish to
start, & then they will give an order
on their ticket agent at S. F., to let
you have tickets on the above terms.

Please write me again if you wish
tickets & when.

Hoping that you will be
able to go East - a trip which you
have so well earned - & that it will
be a means of rest & refreshment to
you & your wife, & of present
advantage to your son,

I am, profoundly,
Yours,

J. E. Dowell
