TUESDAY NOV. 15 1904

The Index wishes to call the attention of the students to the concerts to be given by W. Waugh Lauder, under the auspices of the Conservatory, on Wednesday and Thursday of this week. As has already been said in these columns Mr. Lauder is a musician of national reputation and we may confidently expect that he will give us a rare treat. He is an artist of great skill and the beauty and feeling which are expressed in his playing appeal to all, even to those who have had no musical training. As an uplifting influence a concert by a true artist is invaluable and no student can afford to miss an opportunity which comes so seldom. Professor Chapman has shown much enterprise in securing Mr. Lauder, but at the same time he has undertaken a financial risk. He has given a heavy guarantee and is dependent largely upon the students in paying the expenses incurred. If these concerts are well attended we may hope to have more high grade entertainments in the future; if they are not the Conservatory will not feel justified in repeating the experiment. In order to secure attractions of real merit in the future, if for no other reason, we ought to give our patronage liberally to the two concerts and the lecture to be given by Mr. Lauder.

Basketball Preparations.

Two weeks ago the girls interested in basketball began practice

under the direction of Mr. Wilson, and now that the football season is nearly over the boys will begin practice this week. Basketball is practically a new game at Pacific and yet the little experience we have had in practice and inter-class games has shown us that there is good material both among the girls and boys out of which to develop winning teams.

The management requests all those who can to come out and practice because they expect to arrange a tournament between different teams in the institution and because it will be necessary to put out both girls and boys first and second teams in order to meet the challenges already received.

The challenges already received are games for first and second teams with Monmouth girls, with Newburg for boys first team, and with M. A. A. C. second team for boys second team. The management also expects to arrange games with Portland Y. M. C. A. and McMinnville.

Address Before Associations.

Rev. Mr. Staub of the Sunnyside Congregational church spoke to the Christian Associations Sunday afternoon upon the subject, "Invitation to Prayer." Rev. Mr. Clapp and Pres. Ferrin also said a few words. The occasion was the opening meeting of the week of prayer which is observed throughout the land at this time. The large attendance speaks well for the interest shown in the series of meetings.

All eyes of the foot ball Northwest are now fixed on the O. A. C. -U. of O. game to be played next Saturday at Corvallis, which will decide the Northwest championship for this year. Prophecies and comparative scores seem to be for the farmers, but the vision of the foot ball prophet has failed so often the final chalk mark can alone be relied upon.

An anti-cribbing league is about to be organized at the University of Minnesota. Representatives from each class in the university shall compose a general committee, which shall appoint sub-committees from each class. This system will endeavor to exterminate the cribbing germ from the class room.

Victor Price of the U. of I. recently won the Ridenbaugh debate prize of twenty-five dollars. The U. of I. will meet W. A. C. December 6th.

TUESDAY JAN. 24 1905

compelled to stay away from the college buildings.

The ruling at Pacific that men shall be excluded from basket ball games played by girls has been taken up by the evening Telegram, and given occasion for considerable comment. The general opinion seems to be that if basket ball is a proper game for girls to play, there is nothing improper in it being played publicly. The girls who are playing regret the ruling very much, realizing that if their games are not to be played publicly there is no other way to put basket ball on a paying basis.

Some Changes Suggested.

At the regular session of the Executive committee of the Oregon Inter-collegiate Oratorical Association, held recently at Newberg, some important recommendations

28 Feb 1905

Girls Basket-ball.

Last Wednesday morning occurred the first interclass basket ball game between the girls. The contending teams were the third year and fourth year girls. The game had been much talked of as the third year girls were anxious to offset the defeat which the third year boys suffered from the senior cads the week previous. But the fourth year girls fought to uphold the supremacy of the class by winning the game. Consequently both teams went into the match to do or die. The boys of the respective classes had arranged for "feeds" to be given to the victors, but as it was announced that necessary officials were the only members of the male sex allowed to be present this deal was called off. The game from the first was furious and both teams played good ball. The only field basket made during the first half was a pretty throw made by Cap. Brobst '10. The fourth year team was awarded one point on a foul. The last half opened strong but the third year girls had tired themselves during the first half. Here it was that '09 showed its superior ability. During the last half the fourth year team threw five baskets while the third years made none. A number of fouls were made on both sides but the goal-throwers of the respective teams were unable to make good.

The final score was eleven to two.

The line-up was as follows.

3rd years		4th years
E. Brobst	C	H Chandler
Templeton	F	Hoffman
Hoge	F	Brock
Holmes	G	Brown
Wing	G	Abernethy
