Governor of Oregon

Dear Governor:

Let me take this opportunity to thank you for your leadership in proclaiming Korea Appreciation Week and for your friendly reception and gracious hospitality during my stay in Oregon.

The resounding success of the entire week's program owes a great deal to your leadership, and I am confident that the program will go far to further strengthen Korea-Oregon ties in the years to come.

As I mentioned to you in Oregon, please do not hesitate to contact me if there is anything I can do to further promote cooperation between Korea and the State of Oregon.

Sincerely,

Kim Kihwan
Secretary General
