dept by dept outline of achievements

The Farewell address should be short in verbiage, but an accompanying report on stewardship

the incoming governor should get the limelight.
if it is goldschmidt opens possibility of your very comment--
well, here we are back at carp david or some such ancestor
quip

in the stewardship section thank dept heads and others for their contribx to your terms

...(and... and lastly but perhaps the most gratifying of all has been the
talent, devotion and loyalty of a gifted staff and family
who made every cloud less worrisome, every rainbow a bit brighter...
