Dear Comrade

Mr Whitehead the U.S. Special Examiner is coming to see you in my behalf in a day or two and you do the best you can to show him how I was exposed in line of duty and that I contracted a severe cold while building beudory bridges in the blue mountains after swimming Rivers going to Siletz the winter of 84 from fort Hoskins and if you remember I had the sore eyes at Hoskins that same winter sometime after we come back from Siletz any thing you can do for me will be appreciated

Yours as ever

Courtney N. Meek
