Mr. Victor Atiyeh
Governor
State of Oregon
U.S.A.

May 22, 1986

Dear Governor:

It was nice indeed to have had the chance of seeing you and paying homage to you in person in Tokyo the other evening. I was glad indeed that the Oregon Tom no Kai meeting was such a great success. But I was touched most of all by your kind words about my country.

I hope those koi nobori (carp streamers) might amuse some youngsters in your family. I hope too that I might be able to see you again soon either here in Japan or in your glorious state.

My very best wishes to you.

Sincerely,

Nobuo Fujita
