1. No energy policy? TK finds "it amazing that now the Governor has become an outspoken critic of Bonneville . . ."

2. TK approaching Bob Straub's overstepping (the unfairly connecting Atiyeh with Watergate scandals which evoked an October 3, 1974 statement by the campaign office that Straub's Watergate reference was a slip of the tongue.)

3. It is unfortunate that voters often flock to the promiser rather than the performer and this must be countered.

4. Tie Vic down as the honorary chairman of BM #3 and use the rest of us state elected officials on the official committee.

5. Compare TK's budget of \$350,000-\$500,000 (July 25, Oregonian) with Vic's budgets in the 1974 and 1978 general elections.

6. TK: "If people view me as someone they can have confidence in, someone who can generate hope, I will win. I don't think Vic Atiyeh will beat me because he outspends me."

7. Give all of us researched TK record -- legislative and political.

8. Hit TK on abolishing federal Hatch act.

9. Using PERS fund for housing loans illegal.
