AIRPLANE TRIP INFORMATION

Date: Saturday, July 29  
From: Eugene, depart 6:15 a.m.  
To: Joseph, arrive 8:30 a.m.  
Passengers: Victor, Dolores, Paul  
  
Donor: Val Airways, Salem  
Pilot: Probably Keith Cookus, who is Darrel Kauffman's partner  
in Val Airways  
Airplane: Not specified

Victor, Dolores and Paul should be at the base of the control tower  
at the Eugene airport at 6:15 a.m.

Victor: Since Val Airways is not sure of the type of airplane it will  
use on this trip, I can't tell you what kind of airplane to look for.  
However, I can assure you that the traffic at Eugene airport is  
underwhelming at 6:15 a.m., so you should have no trouble getting  
together with your airplane.
