Victor G. Atiyeh, Governor
254 State Capitol
Salem, Oregon 97310
U.S.A.

Dear Governor Atiyeh:

I have just returned from Seoul, Korea where I had the opportunity to participate in a meeting of the Pacific Rim FCS-SCO; a group comprised of the most senior commercial officers, known as Commercial Counselors or Commercial Attaches, from many of the Embassies in this part of the world.

In conversations with George Griffin, Commercial Counselor-Seoul and Tom Rosengren, Director, U.S. Trade Center-Seoul, you were characterized as the best prepared, most hard-working, goal-oriented and dynamic governor-level visitor to Korea during the past year. While this is a very high compliment to you, I want you to know this translates into greater effectiveness at my level because we are able to obtain the best possible cooperation from our Embassies when the man at the top has the reputation you have.

We are looking forward to seeing you in May. With best regards,

Sincerely,

David D. Lutjen
Director
