AUGUST 5, 1980

TO: OREGON AFL-CIO AFFILIATES & OTHER INTERESTED PARTIES
FROM: R. G. "BOB" KENNEDY, OREGON AFL-CIO PRESIDENT *RJK*

The COPE Convention held in Portland recently mandated that the Oregon AFL-CIO and its statewide membership actively support and aid in the effort to recall Governor Atiyeh.

The "Committee to Recall Atiyeh" needs assistance in circulating petitions, gathering signatures and most pressing, financial aid. With the efforts of the entire state's labor movement, we can and will make this a successful campaign.

It is not enough to pass a resolution. We must move people to action, so that the labor movement will continue to provide credible leadership for all working people in this state.

You will be contacted within the next few days by a member of the Steering Committee. It would be helpful if by that time you will have a list of your members who are willing to give time and energy for this campaign, and a commitment from your union to contribute financial support.

The Labor Movement in Oregon must take a leadership role in the State. It must be concerned with the needs of the people of Oregon, the needs of its membership, and concerned with supporting responsible political leaders.

INSTRUCTIONS: Enclosed are a cover page and two (2) petitions. Please sign this petition, have some friends sign it, and then return it to:
