Dear Vic and Delores:

May I take this opportunity to express our appreciation to you and Delores for your 28 years of service to the State of Oregon.

I think you did a wonderful job as a legislator and as Governor.

I am also very proud of Delores for her part in your political career, helping to make it a success.

Mildred and I wish you the best in your retirement and hope we may have you down for dinner some evening.

Best personal regards,

Denny and Mildred
