

STATE OF OREGON

INTEROFFICE MEMO

TO: All Staff

DATE: May 26, 1983

FROM: Gerry Thompson 

SUBJECT:

Jim Russell's departure was a sad day for all of us -- but also a happy day when you consider the tremendous opportunity for Jim. His new job is certainly strong recognition of his abilities.

Because of Jim's resignation a slight modification must occur in our office. For now Bob Oliver will be assigned to all of Jim's previously prescribed duties. Bob will also continue carrying all of his previously prescribed duties.

Carolyn Harcourt will be assisting Bob Oliver with all extraditions and legislative bills. Sue Close will continue to assist Bob Oliver as she has in the past.

Proclamation processing will now be done by Evanelle Ewing. All proclamation requests should be routed to Evanelle who will do all preliminary work. Then the proclamations will be approved by me before final issuance. Other than this review, the usual process will be followed.

Attached is a reassignment of legislative bills.
