Dear mamma

I am well as ever  
and I hope you are feeling better  
I cant write much this morning  
as papa is going to town and  
is out hitching up now.  
Clifford has got work over  
at those millers

I want to come over there next  
saturday and stay till monday  
but guess I cant.

We are getting along alright  
here.

I have only been away from  
home and to stay all night.

I cant think of any thing  
more so I will close

your loving son
