Governor Atiyeh

Dear Gov. Atiyeh:

Thank you for your very kind letter of October 15th. I keenly appreciate the interest you have taken in our modest operation centered in Oregon, and I for my part will support to the fullest extent I can the close and harmonious business relations that are growing between Japan and Oregon. Perhaps I may take the liberty of quoting your words in our provincial newspaper for the interest of the many leaders in industry in the area.

I hope you will come and visit us here in the countryside, so that I can have the honour of showing you a little of our old and pretty country, as well as the way we live and work, and the welcome that always awaits you among us.

Yours sincerely,

Saijiro Endo
President
