One of History's Greatest Moments
August 23, 1984

President Ronald Reagan, Vice President George Bush

“Together, let us make this a new beginning. Let us make a commitment to care for the needy; to teach our children the values and the virtues handed down to us by our families; to have the courage to defend those values and the willingness to sacrifice for them.

Let us pledge to restore, in our time, the American spirit of voluntary service, of cooperation, of private and community initiative; a spirit that flows like a deep and mighty river through the history of our nation.”

—Ronald Reagan

*As delivered on July 17,
1980, accepting the
Republican nomination
for President.*

*The President's and Vice President's
Luncheon*

*Anatole Hotel
Dallas, Texas
August 23, 1984*

It occurs only once every four years. And it's been more than a decade since an incumbent Republican President and Vice President have shared the historical day of their second nomination acceptance speeches with the most generous and loyal supporters of the Republican Party.

The President's and Vice President's Luncheon provides an opportunity for us to demonstrate our support for the President and Vice President and to help the Republican Party achieve an election victory on November 6th.

In addition to celebrating this special day with the President and Vice President, the National Party leadership in Congress, the State houses and key Administration officials, the funds raised will be used for critically important 1984 election projects of the Republican National Committee.

Many thanks for participating in one of political history's greatest moments.
