

VICTOR ATIYEH
GOVERNOR

OFFICE OF THE GOVERNOR
STATE CAPITOL
SALEM, OREGON 97310

July 2, 1984

Thank you for your telephone visit today regarding my proposal for the repeal of the unitary method of taxation. I know that you understand how important it is for Oregon to remove the perception that the unitary method is an obstacle to foreign investment within our state.

I truly appreciate your willingness to support my proposal. As promised, full details will be sent to you as soon as possible by Rich Munn, director of the Department of Revenue.

Again, thank you for your support of this very important issue. We need to work together to bring about a diversified economy for our state and I know I can count on you.

Sincerely,
